

ANNOTATION TO OVERLAY FOR 1936 CITY PLAN MAP OF LESZNO

Note: The numbers correspond to numbers on the overlay.

1. The Leszno barracks (Koszary Leszynskiego) are definitely not used as barracks anymore but are probably used as a kindergarten.
2. The cemetery is no longer located here but has been replaced by a saw mill.
3. This is no longer the Home for the Aged (Dom Starcow), but it is now elementary school number eight (Szkoła Podstawowa Nr 8).
4. This is no longer the officers quarters (Kasino Oficerskie) instead it is a recreation hall for officers (swietlica). Locally it is still referred to as the Kasino Oficerskie.
5. This firehouse (straz graniczna) is now occupied by the MO (police).
6. The garrison command quarters (komenda garnizonu) are no longer located here.
7. All the military personnel who were formerly stationed in different parts of the city are now located here. A new high chimney has been built to replace the small one. The fence along the front is made of brick; the other three sides are made of wire. The fence is 1.5 meters high.
8. The water tank and water pump station are no longer located here. They have been moved beyond Zaborowo.
9. Quartermaster warehouse (magazyn mundurowy) is no longer located here but has been moved to location No 7. The building is still there,
10. The POM (Powiatowy Osrodek Maszynowy - Powiat Machine Center) is now located here. This place is no longer used as a barracks.
11. Dombrowski's barracks (koszary Dombrowskiego) are no longer located here; the buildings are now partly used as apartments and partly occupied by a hinge factory (fabryka okuc budowlanych).
12. The brick kilns are no longer located here.
